"HARD-HAMMER" WASTES
LAND DISPOSAL RESTRICTION NOTIFICATION AND CERTIFICATION FORM
WASTES FOR WHICH TREATMENT STANDARDS HAVE BEEN SETGenerator Name: USEPA REGION IV OHM RRC Profile Number: _____
EPA ID Number: _____ Manifest Number: 88942

This form is submitted to OHM Resource Recovery Corporation in accordance with 40 CFR Part 268, which restricts the land disposal of certain hazardous wastes. I have marked the appropriate box below to indicate how my waste must be managed to conform to the land disposal restrictions. (See instructions on reverse side.)

**A. Restricted Waste Which Requires Treatment - Attach Addendum Form**EPA Code(s) for which this applies: 2001

I am the initial generator of a restricted waste for which EPA has set treatment standards under 40 CFR Part 268, Subpart D. The waste is subject to all applicable prohibitions set forth in 40 CFR 268.31 through 268.34 or RCRA Section 3004 (d) prior to land disposal.

**B. Restricted Waste Treated To Performance Standard**

EPA Code(s) for which this applies: _____

The waste identified above has been treated in compliance with the applicable performance standards specified in 40 CFR Part 268, Subpart D. Supporting data is available to be provided upon request by the receiving facility.

"I certify under penalty of law that I have personally examined and am familiar with the treatment process used to support this certification and that, based upon my inquiry of those individuals immediately responsible for obtaining this information, I believe that the treatment process has been operated and maintained properly as to comply with the performance levels specified in 40 CFR Part 268 Subpart D and all applicable prohibitions set forth in 40 CFR 268.32 or RCRA Section 3004 (d) without dilution of the prohibited waste. I am aware that there are significant penalties for submitting a false certification, including the possibilities of a fine and imprisonment."

**C. Restricted Waste Which Has Been Treated By Specified Technology As Set Forth In 40 CFR 268.42**

EPA Code(s) for which this applies: _____

"I certify under penalty of law that the waste has been treated in accordance with the requirements of 40 CFR 268.42. I am aware that there are significant penalties for submitting a false certification, including the possibility of fine and imprisonment."

**D. Restricted Waste Subject To A Variance**

EPA Code(s) for which this applies: _____

The waste identified above is subject to a national capacity or treatment variance, or a case-by-case extension which expires on _____. Disposal in landfill or surface impoundment may only be carried out in units which meet the minimum technological requirements. Deep well injection as a disposal method is subject to a separate set of variances - See 40 CFR Part 148.

**E. Restricted Waste Which Naturally Meets Treatment Standards**

The waste identified above naturally meets the performance standards of 40 CFR Part 268, Subpart D, without any treatment being performed.

"I certify under penalty of law that I personally have examined and am familiar with the waste through analysis and testing or through knowledge of the waste to support this certification that the waste complies with the treatment standards specified in 40 CFR Subpart D and all applicable prohibitions set forth in 40 CFR 268.32 or RCRA section 3004 (d). I believe that the information I submitted is true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of a fine and imprisonment."

I hereby certify that all information submitted in this and all associated documents is complete and accurate to the best of my knowledge and information.

Waste Analysis Available? YES _____ NO X _____ If yes, please attach copy.

I notify that I personally have examined and am familiar with the waste through analysis and testing or through knowledge of the waste to support this notification that the waste is not restricted as specified in 40 CFR 268, Subpart D and all applicable prohibitions set forth in 40 CFR 268.32 or RCRA Section 3004(d).

I notify that I personally have examined and am familiar with the waste through analysis and testing or through knowledge of the waste to support this notification that the waste does not comply with the treatment standards specified in 40 CFR 268, Subpart D. Waste must be treated by the appropriate regulatory treatment standard or in such a manner which renders it non-liquid by chemical fixation or solidification prior to land disposal. Corresponding treatment standard 268.42

I notify pursuant to 40 CFR 268.7(a)(3) and certify under penalty of law that I personally have examined and am familiar with the waste through analysis and testing or through knowledge of the waste to support this certification that the waste complies with the treatment standards specified in 40 CFR Part 268, Subpart D and all applicable prohibitions set forth in 40 CFR 268.32 or RCRA Section 3004(d). I believe that the information I submitted is true, accurate, and complete. I am aware that there are significant penalties for submitting a false certification, including the possibility of a fine and imprisonment.

Applicable Variance

(4a) I certify under penalty of law that I have personally examined and am familiar with the treatment technology and operation of the treatment process used to support this certification and that, based on my inquiry of those individuals immediately responsible for obtaining this information I believe that the treatment process has been operated and maintained properly so as to comply with the performance levels specified in 40 CFR Part 268, Subpart D, and all applicable prohibitions set forth in 40 CFR 268.32 or RCRA Section 3004(d) without impermissible dilution of the prohibited waste. I am aware that there are significant penalties for submitting a false certification, including the possibility of fine and imprisonment.

(4b) I certify under penalty of law that I have personally examined and am familiar with the treatment technology and operation of the treatment process used to support this certification and that, based on my inquiry of those individuals immediately responsible for obtaining this information, I believe that the nonwastewater organic constituents have been treated by incineration in units operated in accordance with 40 CFR Part 264, Subpart O or Part 265, Subpart O, or by combustion in fuel substitution units operating in accordance with applicable technical requirements, and I have been unable to detect the nonwastewater organic constituents despite having used best good faith efforts to analyze for such constituents. I am aware that there are significant penalties for submitting a false certification, including the possibility of fine and imprisonment.

I notify that I have personally examined and am familiar with the waste through analysis and testing or through knowledge of the waste to support this notification that the waste does comply with the treatment standards specified in 40 CFR 268, Subpart D.
